NOTES FROM LISA:

February is here! I hope this newsletter finds everyone healthy and warm. We have weathered the surge in Covid and continue daily life at Windsor Manor. Residents have enjoyed activities in the warmth, while bitter cold temperatures reign outside. Residents enjoyed a "snowball fight" in our dining room and lots of laughs were had by all! Kelsey, our activity director, continues to plan & execute fun and new activities each month.

This month we welcomed two new resident assistants to our Windsor family! Kelly Winders & Heather Murr have completed training and are excited to care for your loved ones. We also welcomed a new dietary assistant, Emily Dlouhy. We are so thankful for the new additions to our team!

We DO have Assisted Living and Memory Care apartments available. If you know of a loved one who would benefit from daily socialization, home cooked meals, a safe, WARM environment free of shoveling & ICE, and 24-hour staff availability to meet unexpected needs, CALL 319-472-2060 to schedule a tour today!

In February we will be sharing a lot of LOVE! Valentine's day is February 14th and once again we will be crowning our King and Queen. Candidates are chosen by our very own residents. Ballot boxes will be appearing in the family room soon.

Have a wonderful month, stay warm, and spring will be here before we know it.
