Notes from Lyla....

HAPPY 4th of July. The community looks beautiful with the flowers that were planted by the residents, Phyllis and Cindy. There are a variety of beautiful things blooming around the building and there is much pride from those who participated in the planting. If you haven't stopped in please do so and enjoy the beautiful flowers that are blooming. The activity department has been busy in planning many "summertime" activities for all to participate in. The occupancy at Windsor continues to be at 100% and an active waiting list has been started.

Windsor Manor is happy to host meetings or if you have a small group that meets on a regular basis we would be happy to host a meeting place for you. If you are interested in making such arrangements please see me or contact me at 641-990-1467. As always if you have any concerns please feel free to contact me as I would be happy to assist you. until next month.....

Lyla

Nurse's Notes...

Summer is here. Unfortunately we haven't been able to enjoy it with all the rain. Farmers are worried about crops and the weeds are everywhere. **But, it's better than snow** and cold!!

Many of you come and see me daily and I enjoy on happenings in your life that my door is always open for medical questions. Please feel free to stop in. We have been fortunate this year to have everyone pretty healthy. A couple of spring colds are about the worst we have seen. Our building is full now and I ask everyone to please keep me informed of any doctor visits or new orders, especially for medication. Please bring them to me and I will order them from the pharmacy.

Housekeeping Tidbits

.....by **Hannah Snodgrass**

Housekeeping Fun Facts:

1. One popular 1913 vacuum came in six different models and had attachments for bare floors, walls, upholstery and crevices. It even could be used as a hair dryer.
2. In 1938, 27% of homes with electricity owned a vacuum cleaner.

I hope you enjoy these informational tidbits. If you haven't been able to get out and enjoy the weather hopefully you will be able to get out and take a walk around the building and enjoy the beautiful flowers that are blooming.

Hannah

Life Enrichment Coordinator's Notes.....

by Phyllis Van Es

GREETINGS-IT'S HALF-YEAR DAY! Oh yes, 2010 is half over. We're getting organized to have sack suppers on a bus (THANKS to Grinnell Christian Church) while watching the downtown Grinnell 4th of July Parade ; then those who choose to "break curfew" (haha)—can attend the music in Ahrens park after the parade (6:30 pm) and the real night-owls will be staying to watch the fireworks—then again, we might choose not to be so adventurous, it's totally up to the Windsorites... HAPPY 234TH BIRTHDAY USA!

I want to as always thank all our favorite musicians—we are SO FORTUNATE that out of the goodness of their hearts they continue to **MAKE OUR DAYS...and some evenings too!** I will be heading to Haiti July 8-16 (we even get to build a house this time—besides feeding the hungry, hugging the orphans, etc.) so I am especially grateful to those who will enrich our residents' lives during that week....including our Windsor Universal Workers, our nurse Brenda and our manager Miss Lyla!

We are spraying down and cleaning up a 'multitude' of silk floral wall hangings which we will include in our monthly Windsor General Store, after our closer care WM Gardens residents are privileged to take first choice (because of one of their daughters we are blessed to receive these). By the way, has everyone checked out the wild flowers behind Windsor—it's a field of daisies this week (and coneflowers soon!) We also have a good start on a wildflower patch in the Gardens Patio area.

Until August, (oh my that means the State Fair is around the corner), thank you for all the help in coordinating activities. Phyll Van Es, Life Enrichment, with coworker Cindy Nation
