

Bev Rickabaugh has a special talent making greeting cards for all occasions. If you are interested in purchasing greeting cards ask her to show you some examples, they are beautiful.

I will be sending out monthly newsletter to keep you all in the loop of the happenings at Windsor Manor. If you have any news of your own, let me know and I will be glad to publish it.

We have volunteers from the Senior Companion Program that visit residents once a week. If you are interested in their company, let Annette know and she will make a referral. Sarah was given the position of Life Enrichment Coordinator as of October. She is meeting with each tenant to find out their personal choice for activities. Windsor Manor wants to offer a variety of activities that everyone can enjoy, so express your personal wishes of activities you can enjoy.

As most or all know, Brenda resigned and is looking forward to opening Day Care in her home and taking care of her grandchildren. She has been a mentor for staff and was very close to all of the residents. Her presence daily as a universal worker and friend will be missed.
