Resident Spotlight Delmer Kalbus!

Delmer grew up in North Dakota then moved to Iowa because of a job opportunity. Nine years later he started his own landscaping business. In 1959 he and his wife bought a dairy farm in Indianola. They had three daughters and two sons. In the year 2000 Delmer lost his wife of almost fifty years. In 2006 he married his wife Shirley and they have ten grandchildren. Delmer grew up in the church and it has always been a very important part of his life. He has been on mission trips in Africa and Mexico where he built missionary houses. He reads the bible daily and attends church every Sunday. His favorite TV show is Fox News and he enjoys war movies. He loves microwave popcorn and fig bars. He also enjoys putting together puzzles. Delmer is happy living at Windsor Manor. He likes the food and the residents and staff are nice people. Delmer is a gentleman and we are very thankful he chose Windsor Manor to be his home.

Employee Spotlight
Emili Woodward

Emili grew up right here in Indianola. She is the middle child of 5 children, 4 girls and 1 boy. As a kid she spent a lot of time outside. Her neighborhood was full of kids so they played kickball and tether ball (Emili's favorite). Her best friend was her dog, Blossom. She was a chow and husky mix.

Emili got her first job at Westview Care Center when she was 16. She graduated from Indianola High School in 2009, married her husband David a year later and they have three adorable children, Elijah 6 years old, Ameliah 5 years old and Trinity 3 years old.

Emili loves to sing, spend time with her kids and read. Her favorite book is "Undaunted" by Christine Caine. Her favorite meal is stuffed crust pizza and Cherry Coke and she loves the Pirates of the Caribbean movies.

Emili has worked at Windsor Manor for 8 years. She started out as the housekeeper then a resident assistant. She is now our business manager and does a fabulous job. She refers to Windsor Manor as "her home away from home". The residents and staff call her "speedy" because she does everything fast. She is our go to person because she's smart and sweet. We're beyond blessed to have her on our Windsor Manor team!

A Month for Fathers

When I think of June, I always think of Father's Day. Sometimes it makes me a little sad that we have to set aside days to honor people....Memorial Day, Father's Day, Mother's Day. I guess it's human nature to go about our business and forget to show gratefulness to the special people in our lives and in our communities. So it's probably a good idea to force us to halt the chaos that can consume our days and remind ourselves to show love and respect, at least for the day.

Sometimes these days can make us a little sad too as we remember loved ones who are no longer with us. I often think of the people in my life that I have lost as you probably do too. But if you think long enough, your sadness will usually subside as you think wonderful things about them that you will always carry in your heart. That's the meaning of bittersweet, I guess. The memories can be both pleasant and painful. But thinking of the important people in our lives who are no longer here reminds us to be thankful for every day we have with those still with us.

Another thing June is good for is picnics! Hope to see you soon enjoying a hamburger on our beautiful new patio furniture. Happy Father's Day all the fathers, and happy Summer to the rest of us!!!
