Dear, Residents!

Thank you very much for helping me make all the beautiful May Baskets. We made 45 of them. I couldn't have done it without you.
Mila Tarasenkova, Activity Manager.

May 20th

Welcoming Shirley Tindle

Shirley grew up in Creston, Iowa with two brothers and a sister. She had Polio as a child so had to wear leg braces. When she turned ten her father bought her a bright blue American Flyer Bicycle. She loved her bike and rode it every day. Her leg muscles developed from riding every day so she no longer had to wear her braces.

After high school, Shirley took a job at a grocery/hardware store in town and worked there for thirty-one years. She also worked part time at The Elks.

She married her husband George when she was eighteen and was married for 43 years. They had six children together, three boys and three girls. George worked for the telephone company.

After George's passing Shirley moved to Indianola to be closer to her daughter, Judy. She took a job with JcPenny where she worked for 11 years. Shirley loved working in retail because she met new people every day. She especially enjoyed working in the children section.

Shirley loves putting puzzles together, reading and watching classic movies. She has a love for animals. She had a dog most of her life and recently took in a cat.

Shirley is adjusting to her new home and is making new friends. We're so glad she chose Windsor Manor!

Employee Spotlight

Danie Benge

Danie grew up in Louisiana with two older brothers. She played basketball and enjoyed pulling pranks on her teachers, so she was often in trouble! When she wasn't playing basketball or messing around, she was drawing. One of her brothers and her grandmother were artists so it came natural to her.

Danie's first job was at Wendy's. Her first job taking care of people was eleven years ago and she feels she's definitely found her calling. She was accepted into nursing school and plans to continue working at Windsor Manor while working to get her RN. We are very happy for her and know that she'll be a great nurse.

Danie has a beautiful one year old daughter named Brayli and plans to marry her fiancé, Lisa this Fall. Congratulations Danie!

Danie loves the residents and staff at Winsor Manor. Working here makes her feel like a superhero because she knows how much she's needed. Her favorite superhero is batman and has been since she was a kid. Danie goes above and beyond for the residents and they love her as much as she loves them. She has a great sense of humor so is always making the residents and staff laugh or smile. We're so happy to have Danie at Windsor Manor!

100 Years Young

So if you missed the big shindig, shame on you! We had a wonderful day celebrating Maxine Marten's 100th birthday party at Windsor Manor. The dining room was packed, the music was awesome, and Maxine's waltz with her son as the party came to a close brought the crowd to tears. I wonder if when Maxine was a little girl if she ever imagined she would live to be 100 years old. Oh, the changes she has must have seen in those fleeting 100 years! With the world seeming to move at a breakneck speed these days, I'm guessing she might be thinking back on how much simpler life was back when she was a girl. I know I do.

Whether your goal is to live to be 100 or you're ready to go anytime, Maxine's spirit, spunk and zest for life can serve as an inspiration to all of us to enjoy every day, no matter how many days we're given. And don't forget to dance once in a while. I really believe that dance has kept Maxine young, both in body and at heart. See you at the 101st birthday party next year!

Jenny Knust, ED

Maxine and Brayli

Maxine's 100th birthday party was a success. Big crowd, great music and delicious cake.

HAPPY BIRTHDAY MAXINE!
