News with your Executive Director...

Hello Family and Friends,

Change is in the air here at Windsor Manor. I would like to formally introduce our new Director of Health and Wellness. Many of you probably know her, her name is Nicole Becker. She has been working as an RN here at Windsor Manor for quite some time now. She has begun the transition into this position. She will be fully in this position by the end of the month. When you see her at the next friends and family, be sure to congratulate her. This will allow Stephanie to be out in the community more and help with getting this building to full capacity. We are so close! Have a great February and Happy Valentines Day.

-Stephanie Neas

Welcome to the Team Nicole!

"I never wear mascara. I laugh until I cry too often."

~ Jeanne Louise Calment

My Mother's Chocolate Valentine by Jack Prelutsky

I bought a box of chocolate hearts,
a present for my mother,
they looked so good I tasted one,
and then I tried another.

They both were so delicious
that I ate another four,
and then another couple,
and then half a dozen more.

I couldn't seem to stop myself,
I nibbled on and on,
before I knew what happened
all the chocolate hearts were gone.

I felt a little guilty,
I was stuffed down to my socks,
I ate my mother's valentine...
I hope she likes the box.

Maintenance News with Jerry....

Thank you for a short month! We weathered January pretty well with the "thaw" and only need to make it thru one more month of winter. Our plowing went well in December, and January has come and gone without any significant snow and just a little ice. I'm keeping busy with all the inside things now so we can all get outside as soon as the weather breaks. Happy to report we are all staying warm and the lights are all on (even with the multiple power outages, thanks to our generator). If you are ever without power you know where to go. We are very blessed to have a commercial sized unit that keeps us fully functional no matter what!

We can't all be in Arizona or Florida for the winter, but the ballplayers are arriving and spring training will begin this month. Soon we will hear the crack of the bat and be reminded of the smell of fresh cut grass. At the Manor we have begun to plan our outdoor projects as well and look forward to the longer days, warm sunshine, and the smell of a burger on the grill. Hope to see many of the family this month as you come to visit, and as always if there is anything I can do make the Manor more comfortable for your family I am always available.

-Jerry
