Welcoming

Wilma Miller, better known as Billie.

Billie was born in Monroe Wisconsin. When I asked her how she got the nickname Billie, I expected her to tell me it was a family name, but she told me that her Dad wanted a son. Of course, she finished the story and told me that her brother, Frank was born next.

Billie met her husband Lyle in high school. They were married for 47 wonderful years. Together they had two children, Steve and Sandy. She now has two grandchildren and two great grandchildren. She enjoys spending time with them and loves to go shopping.

Billie has fit right into our Windsor Manor family. Please take the time to welcome her to our home. We are so blessed to have amazing residents, families, and staff.

Employee Spotlight

For those that don't know, this is Shelby Rus. Shelby has been a part of our Resident Assistant team since October 2016. Shelby grew up in Morrison, IL and graduated high school, May 2014. She is the daughter of Dan and Donna Rus.

Shelby enjoys shopping, spending time with family and friends, being on the river, fishing and working out. She is currently enrolled at Scott Community College studying radiology.

She stated, "She enjoys working at Windsor Manor because she enjoys assisting the resident's, getting to know them and socializing about their present/past memories." Shelby is a great asset to Windsor Manor with quality leadership skills. Shelby continues to lead by orienting new employees, assisting other resident assistant, participating in activities and keeping the communication open between employees, resident's and family members.

Thank you, Shelby for your commitment and dedication. We are blessed to have you as a part of our team.

A NOTE FROM STEPHANIE

This past month, we lost a part of our Windsor Manor family. Beverly Froeliger lived here for close to two years. Beverly was called home to Heaven peacefully on Sunday, April 23rd, with family by her side. She will be greatly missed. One of the most frequent questions I am asked by new residents, is when will they have to go to a nursing home. The entire team here at Windsor Manor prides ourselves on having the clinical knowledge and experience to be able to care for majority of our residents until their final days. It is a great honor to care for each and every one of you. I can honestly say that I feel truly honored to be your Executive Director.

Windsor Manor's Annual Easter Egg Hunt was held on Thursday April 13th and was a huge success!
