RESIDENT SPOTLIGHT: **Margie Riemenschneider**

This month's Resident Spotlight is Margie Riemenschneider!

Margie joined the Windsor Family in 2011. Margie was born May 9, 1927, the youngest daughter of Harold and Ruhamah Bushbom. She grew up in Marshall County moving around to different farms, and graduated high school in State Center. Her father was a farmer by trade, but trained horses for fun. Margie remembers always being on a horse, and still loves horses to this day! She got along well with her two older sisters, Evelyn and Ida May and enjoyed school. Margie married her husband Wayne on May 21, 1943. They raised three daughters, Peg, Terry, and Becky in State Center. Margie enjoys visiting with her neighbors, going on outings with her 3 daughters and friends, and reading. When asked about what she enjoys about living at Windsor she said, "I like everything! Windsor is a nice place to be, and everyone is so friendly."

"I love our team!" Those are the words you hear often when walking the halls at Windsor. Our jobs can be trying and sometimes very exhausting, but having the right support system and staff is the key to a successful community. I have tried my best over the last 5 years to tell them every chance I get how much I appreciate and love all they do, but words at times cannot express how much they mean to me and the community!

Thanks for all you do every hour of everyday. You make me LOVE to come to work!
