## RESIDENT SPOTLIGHT: VERNON "BUD" PHILLIPS

Bud Phillips is our July Resident Spotlight! Bud was born July 13, 1929 on a farm outside of State Center. He grew up the second oldest child of Alice and Fred Phillips near Rhodes and Melbourne. His parents

farmed, and being the oldest boy, Bud was his father's right-hand man! Bud was drafted in the Army in 1951. After his service, he came back to the farm and worked, later working on a grain elevator, fertilizer plant, and then worked 20 years for the County operating a road grater. Bud was united in marriage to Anita in 1953 and had 5 children Vernita, Vickie, Vance, Virgil, and Vaughn. Bud and Anita raised their family in the Melbourne and St. Anthony area and enjoyed going to their children's activities and dancing. They had 38 wonderful years together, until Anita's death in 1991. Bud and Caroline, who knew each other from school and mutual friends, reconnected through a dance group and married in 1992, surrounded by their 10 children. They made their home in Clemons and enjoyed dancing, golfing, and wintering in Arizona. Bud and Caroline made Windsor their home in November 2015. Bud can be seen walking around Windsor at least 3 times a day. He also enjoys men's outing, visiting with his neighbors, and just started golfing again after a 4-year hiatus. Bud states he was reluctant to make the move to Windsor but said he is glad he did. "All the staff is great!"
