### Johnny Carson

October 23<sup>rd</sup> (1925–2005), hosted the late-night program *The Tonight Show* for 30 years, dominating the comedic talk-show genre. His announcer and sidekick was Ed McMahon throughout his entire tenure with the program. ### *Did you know?*

Irishmen escaping the Great Potato Famine brought the traditions of Halloween trick-or-treating and jack-o-lanterns to America in the 1840s. On Halloween, Irish peasants begged the rich for food and played practical jokes on those who refused. To avoid being tricked, the rich handed out cookies, candies, and fruit. These days, Halloween is all about parties and costumes.
