Gerald "GK" Dawley (far right) was one of 87 Veterans plus their guardians on October 20th that headed to Washington, DC on the Eastern Iowa Honor Flight #22. While they were there, they visited the Memorials dedicated to their service and sacrifice, toured the city, as well as visited Arlington National Cemetery where they witnessed the changing of the guard at the Tomb of the Unknown Soldier, and participated in a wreath laying ceremony at the tomb.

GK was a Marine in WWII, and was one of the 13 WWII veterans on the flight. He stated that he was tired after a long day, but had a great time with his fellow veterans. He was touched by the many people that came out to the airport and other locations to thank them for their service.

Thank you for your service GK!

The trouble with practical jokes is that very often they get elected.

~ Will Rogers

You gave for peace with courage
That families may be free
So children could grow strong
And safe they'd ever be.

In giving for the sake of peace
You may have suffered loss
Your body may still show its wounds
From taking up the cause.

May remembrance of your time away
Your sacrifice for peace
Spur us on to strive more strongly
For freedom, that there'll be release.

From causes that sent some away
To fight that we may freely live
With gratefulness we thank you,
veterans,
For all you gave and give!
