December Resident Spotlight: Forrest "Frog" Luig

December's Resident Spotlight is Forrest "Frog" Luig! Frog made Windsor Manor his home in March of 2014! Frog is our oldest resident at 101, but he is still young at heart! He enjoys going to exercises at Story County Hospital 3 times a week, playing BINGO, going on bus outings, and being around his family and friends!

Frog was born in Collins, Iowa in 1916. He grew up the oldest Child of Ica and Fred and was responsible for watching out for his younger brothers and sisters. He walked to school every morning and would pick up frogs from the pond and put them in his pocket. The other children began calling him "Frog" and the name stuck. He even has an ever-growing collection of frogs in his apartment!

Frog married his Wife, Leonora, on December 28, 1939. Together they raised three children. Darwin of Panora, Charlene of Collins, Pam of South Padre Island, TX and Teresa Loveland, CO. They enjoyed 71 years of marriage together until her death in 2011.

When asked what he likes most about living at Windsor he said, "I like all the nice people, and the nice staff!"

December Staff Spotlight: Marissa Kasal

December's Staff Spotlight is Marissa Kasal. Marissa became part of the Windsor family in March of 2016 as a morning cook. She was born in Marshalltown and grew up in the country just North of State Center. Marissa lives in Nevada with her husband Ben. They purchased their home in 2014 and have been enjoying being home owners and doing projects together! They are excited to welcome their first child in late December/early January!

Outside of work Marissa enjoys visiting her family (mostly) and friends. She loves to travel and make quick trips here and there. She is a hard core Green Bay Packers fan, but she loves Jesus above all else! She has a beautiful and loving family on both sides! Marissa adores her 6 nieces and 2 nephews.

Marissa enjoys working as a morning cook at Windsor and loves making people happy with food!
