Notes to Residents & Family:

Windsor Manor will be sponsoring a baby picture contest in January. We are looking for baby pictures of staff and residents taken at two years of age or younger. The picture needs to be clear (preferably a professional photo). We will make a copy of your picture and give it back to you. Prizes will be offered for the person who guesses the most correctly and for the "baby" who fools the most people.

Also, please remember to sign the checkout sheet in the lobby before you go out. We're responsible for your safety so we must know when you've left the building. If you know you are not going to be here for a meal, please let the kitchen know in advance. Thank you so much for your cooperation!

New Resident Spotlight
Blaine Gates

Blaine grew up in a small town in Iowa and is an only child. He played basketball and baseball but was a little better at baseball so enjoyed it more than basketball. He got his first job at Fareway when he was 14 years old. After high school, Blaine joined the Navy and served for four years. He was a torpedoman and enjoyed it very much. He's very proud of his time in the Navy.

Blaine really enjoyed working at Fareway so decided to return to the grocery business and remained in that line of work until retirement. Blaine met his wife on a blind date at a drive-in movie. They hit it off immediately and were married shortly after. Blaine was thirty years old when he married and his mom was thrilled because she was worried that he'd never marry. Blaine and his wife Dorothy were married 44 years and raised two children. Blaine also has five grandkids of all different ages.

Blaine's favorite memories are of going on vacation with his family once a year. They usually traveled out west. One of his favorite places to go is The Black Hills. He and his wife also loved to play cards and their favorite game was Pitch.

Blaine is very happy at Windsor Manor. He loves the food and the friendly environment. He likes that there's always something to do and someone to talk to. We're so happy Blaine moved to Windsor Manor! It's hard to believe he's only been here for a short time because he seems like family already. Welcome to Windsor Manor Blaine!

P.S. If you know someone else who would make a great neighbor for Blaine and the WM family, please let Leigh know. She is offering a great move-in special in January!

That's right, we have a snowball fight with marshmallows and it's so much fun!

There's always a lot of laughs and smiles and we promise that no one gets hurt. We'll be serving hot chocolate with marshmallows, of course. Oh and yummy homemade cookies. Family members are welcome to join in the fun. See you there!

**Employee Spotlight
Shana Stephenson**

Shana grew up in Martensdale, Iowa with one older brother and one older sister. She ran track, played volleyball and sang in the school choir.

Shana has worked in food service for 11 years and will celebrate her 8th year as a cook at Windsor Manor in January. She enjoys getting to know all the residents and the teamwork she develops with the staff, which makes it easy to get up at 5 am to start breakfast. Shana's favorite dish to make is her grandma Jeri's tuna and noodles.

When Shana has some extra time, she loves to read and watch movies. She enjoys spending time in bookstores, photography and word searches. Her favorite past time is spending time with her best friend or her nieces and nephews. Family is very important to Shana.

Something interesting about Shana is that her 9th great grandfather, John Hart signed The Declaration of Independence.

Shana is a very caring person and loves to help people. We're very lucky to have such a wonderful person on our Windsor Manor Team!

DO YOU KNOW WHAT TO DO IN CASE OF FIRE?

Several people recently lost lives in house fires over the holidays. Windsor Manor is protected from fires by a sprinkler system and by fire doors that keep fire at bay for two hours. These are the double doors in the hallways that swing shut when the alarm is tripped. It is important that, when you hear the fire alarm sound, you stay in your apartment unless staff ask you to evacuate. That will allow staff time to focus their efforts in evacuation of those in the area of the fire.

The Longest Month

Between the weather and the number of days in the month, I always feel like January is the longest month. The excitement of the holidays is over, and now all we can do is anxiously await spring. But what if we took a different attitude about this long and unpopular month?

I have a hundred things to do in the summer months, most of it outdoors. I rarely find time to sit down and leaf through a magazine or work on my scrapbooks. I'm actually almost looking forward to January this year because I have a plan to catch up on some indoor projects. And the shopping is really good in January. All the winter clothes are on clearance and you can find some super deals on those few remaining Christmas items.

I like the saying, "Life is what happens while you're waiting for the weekend." I think I'm going to tweak that to, "Life is what happens while you're waiting for April." My days are getting short enough that I can't afford to wish any of them away while I'm waiting on something better. I'm going to seize the day, no matter how deep the snow gets or how low the mercury dips on the thermometer!
