Sam Kluppelberg

Sam is a third shift resident assistant in our memory care unit. She has been with Windsor since December 2014. Sam is very passionate about the residents and is also a “whiz” with laundry.

Sam was born and raised in Chicago moving to Vinton three years ago. She spent three years as the Foreman of the Merry Go Round when she worked at a carnival show.

Her three-year-old daughter is her pride and joy. Sam brings her in often, to visit the residents. They enjoy watching how fast she’s growing.

We are happy to have Sam as part of our Windsor Manor team. Thank you for all you do.

Welcoming Keith and Janet Elwick

Janet was born, raised and lived her whole life in Vinton and rural Vinton. She graduated from Vinton in 1937. She is the oldest of 4 children.

Keith was born in Radcliff, IA., moved to rural Urbana when he was 11 or 12. He graduated from Urbana, in 1937. Keith is the oldest of 5 children.

They met while Janet worked at a veterinary office in Vinton. Keith says he was smitten right away, Janet said she liked the guy that was with Keith better. They eloped to Kahoka, MS on 1-14-39.

When asked what her favorite item to cook was, Janet said she didn't have one. Keith quipped that she made scalloped potatoes with bacon and green beans often. Keith explained it was because the potatoes and green beans were from her garden and back then you could get a 5-pound box of bacon ends and pieces for 25 cents.

They have 4 children and are blessed with several grand and great grandchildren. They have lots of stories to share, stop in sometime and visit. We are thrilled to have them here at Windsor Manor with us.

A note from Lisa...

We made it through the COLD of January! We stayed warm and cozy in Windsor Manor observing the frigid from inside. Big projects have been underway. Huge thank you to Don Neve for our custom cabinetry in our Memory Care!

We also have new carpet being installed in our entire building. Our 10-year old carpet was beginning to show its age. Feel free to stop in and see our wonderful community. We are continually striving to keep our "home" up to date and beautiful.
