Welcome our newest resident Lucille Williams

Lucille was born in Cedar Rapids, Iowa, the youngest of 5 children. She attended school there and graduated from McKinley High School.

She met her husband-to-be Clifford, while he was in the Army Air Corp. in Stillwater Oklahoma. Lucille recalls riding the bus to Texas where they got married on the base, Feb. 4, 1944.

This beautiful Christmas Tree was made by her and her loving husband approx. 10 years ago. Lucille treasures her tree created with fishing line.

Lucille and Cliff have 5 boys and are blessed with 12 grandchildren and 12 great-grandchildren.

Helen, a neighbor of Lucille's at Windsor Manor, have become good friends. They walk to meals and activities together.

We are happy to welcome Lucille to Windsor.

HOPE HOOTMAN

Hope is a second shift resident assistant and has been at Windsor Manor since October 2014. She has lived in Vinton her whole life. Hope has 2 older brothers and a twin sister.

Hope enjoys writing, watching movies, reading, and her very large cat.

An interesting fact about Hope is that she works with her mom and her sister. Not everyone can say that!

We are very happy to have Hope on our Windsor team as she is a joy to both residents and staff.

Thank you for all you do.

News From Lisa

January 2018: A fresh New Year! December we were blessed with so many beautiful voices singing Christmas Carols. Windsor looked beautiful decorated for the holidays and families gathered with their loved ones to celebrate.

Did you know Windsor hosts many community club meetings? Looking for a place to hold a monthly meeting that is warm and home like? Look no further. Windsor currently hosts the monthly breast cancer survivor group meetings, VU meetings, PEO, Early Arts and the Country Quilters. Contact Lisa or Nancy at 472-2060, if you are interested in utilizing Windsor as your meeting location!

Just a reminder. After the holidays (and those large family gatherings with loved ones) comes shared germs...ewww. Influenza, stomach bugs, and cough/colds run rampant. Remember to practice good hand washing and limit visits if you are feeling unwell, for the safety of all at Windsor.

Happy New Year to All!
