Myra attended country school through 7<sup>th</sup> grade. After schools consolidated she graduated from Garrison High School in 1950. Myra worked in Cedar Rapids before marrying Howard Klopping in 1962. Most of their married life was spent at her grandparent's farm South of Garrison. To this union, they had 3 children, Lee, James and Susan. They have been blessed with 7 grandchildren and 3 great grandchildren.

## Barb Johnson

In 2014, after 24 years working in the legal field, she realized it was time to move on and she got the job as Culinary Director at Windsor Manor. Soon after beginning, she realized working at Windsor Manor was where she was always meant to be. Being there and developing relationships with the residents and their families brings her constant satisfaction and joy. Barb moved into the Business Office Manager position, a better fit for her skill set although she willingly fills in wherever needed in the building.

Barb is married and recently celebrated 23 years of marriage to her husband, Mark. They live in Vinton and have three very busy teenagers: Paul is 16, Brynn is 14 and Ellery is 13.

We are happy to have Barb as a part of our Windsor Manor management team. The next time you are in, stop by the office and say "Hi" and share your favorite stories of your loved ones. You are all part of the Windsor Family and we are so glad that you are sharing your loved ones with us.

Barb Johnson has had a heart for serving people her whole life. She started her career after college in 1990 and worked in various forms of law as a legal assistant. She enjoyed being able to assist and talk with clients needing legal help over the years.

We are heading into SPRING! A time for new beginnings. The month of March we will be highlighting new events happening in the community that surrounds our community. Like our Facebook page to follow our daily happenings.

I will be experiencing many new events in the next coming months. My daughter Brooklyn will be graduating high school in May. I will be planning my very 1<sup>st</sup> graduation party as well as preparing to say goodbye as she ventures off to the University of Iowa. My daughter Brynn will be turning 13 on the 1<sup>st</sup> day of Spring. My son Jace will be turning 16 (watch out drivers!) on Easter, yes, he's my April Fools baby.

Wishing everyone good health and new beginnings!

Lisa
