May Resident Spotlight: Mary Ann Wahl

May Ann was born and raised in Des Moines, Iowa and was the second youngest child of Veronica and Elmer Rosmussen. Mary Ann has many found memories of her childhood. She remembers getting so

excited for Independence Day when her family would go see fireworks at Riverview Park, playing dolls with her sister, and taking the street car to shop downtown. After graduating from St. Joseph's High School, Mary Ann went to work for BELL Telephone Company. In 1946, Mary Ann was the operator who took the first mobile call from a car. She continued to work for the BELL company part-time while she went to Mary Crest Catholic Women's College in Davenport and later Creighton where she received her RN degree. She worked as a head nurse on the pediatric floor at Mercy and Lutheran Hospital and also as an oncology nurse. Mary Ann was united in Marriage to Harold "Hall" Jr. on June 14, 1945. They settled in Des Moines and raised 8 children. Mary Ann loves gardening and being outdoors in nice weather. She enjoys participating in most activities, and never misses out on music. When asked what she likes about living at Windsor Manor Mary Ann replies, "All the good friends and company that gives me comfort and companionship."

Wacky Wordies

Each of the puzzles below provides a visual representation of a common word or phrase. Can you decipher the clues in each puzzle box?

**May Staff Spotlight:
Kristina Loney-Minor**

This month's Staff Spotlight is Kristina Loney-Minor. Kristina joined the Windsor family as the Business Office Manager in May of 2016.

Kristina was born in Dubuque and moved to Nevada when she was 6 and is a graduate of Nevada High School. She currently lives in Nevada in her childhood home with her husband Greg and their pets. Kristina has 3 girls and 5 grandchildren and enjoys spending time with them and her brothers, sisters and parents.

When Kristina isn't working she enjoys crafts like crochet, cross stitch, home projects, and shopping. Jesus is the center of Kristina's life and she strives to always try to live her best life with His help. When asked what she enjoys about her Job, Kristina replied, "Math! Anything related to figures and making things come together! I enjoy always have people around and seeing the residents every day!"

Hello, and happy May! I am so excited that Spring has finally joined us here in Nevada! The grass is greening up, plants are starting to show, and we will be adding beautiful flowers to our courtyard this month! I am looking forward to honoring our mothers on the 11th with an afternoon tea! Please RSVP by May 9th! I hope to see a dining room full of our Windsor moms and their guests! I hope your May is wonderful!
