Resident Spotlight:

Alma O'Donnell

This month's Resident Spotlight is Alma O'Donnell. Alma joined the Windsor family in December of 2016. She was born in Story City, Iowa and had four younger siblings. Her parents, Eva and Milford Baldus ran a hatchery in Story City and Nevada. Being the oldest, Alma jokes she should have been a boy because she was her father's right hand and helped a great deal with the chicks. Her family spent many special times together, and Alma remembers the 4th of July dart booth that they ran. "Three darts for 10 cents. We took the money we made and went on a 2-week vacation to Minnesota to fish." Alma enjoyed school and had dreams of becoming a nurse, but her father persuaded her to help in the family business. She worked with her father in their Story City hatchery, later moving to the Nevada location. She met and married Ernie Thoreson and became a farmer's wife. They had a farm in Roland and enjoyed their life together with their 2 children until a farming accident took his life when Alma was pregnant with their 3rd child. She moved to Nevada with her small children, and later met Jack O'Donnell. They married and added another child to their family. Jack and Alma had many wonderful years together and enjoyed taking their children camping, a hobby they continued throughout their lives. They belonged to an Airstream club and enjoyed the 16 Winters they spent in Arizona.

Alma has lived in many homes in several towns but is happy to be here at Windsor Manor. "I feel like I have made a lot of new friends. Windsor works hard to make everyone happy, and I get to have my dog here as well!"

Staff Spotlight:
Margie Archambault

This month's Staff Spotlight is our Activity Director, Margie Archambault. Margie became part of the Windsor Family when the doors opened in 2011.

Margie grew up in Madrid, Iowa among her 6 other brothers and sisters. She graduated from Madrid High School in 2004 and received her Associates Degree from DMACC. Before coming to Windsor, Margie worked for 7 years as a CNA at Cedars in Madrid.

Margie moved to Nevada in 2009 and lives with her husband Brian, three children (Owen 7, Isla 5, Abigail 1), and their dog Roscoe. When she isn't working, Margie enjoys shopping with her girls, reading, watching movies, neglecting house work, and having game nights with her family.

Margie hopes to stay at Windsor long-term and loves coming to work every day! "I can't believe they pay me to have fun and be around amazing people! Don't tell anyone, but I think I would do it for free! I have had so many great experiences and met some amazing people these last 7 years. Each day brings a new opportunity to make someone smile, and for that I thank God for bringing me to Windsor!"

**Hello and happy June to my Windsor family and friends! Even though Summer doesn't officially begin until the 21st, we have been having some summer like weather already! Most evenings you can find me and my husband cheering on our kids at a softball or baseball game! It brings me back to when I played 2nd base for the Madrid Tigers! Summers were always filled with games and tournaments, and I am glad I get to experience this again with my own children! Summer fun isn't just for the kids, get out and do some of our fun activities, take a walk, or even sit outside and enjoy our courtyard!
