Welcoming Russ Alpers

Russ was born in Vinton, the youngest of 10 children, he graduated from Washington High School in Vinton. After completing basic hairdresser school in Dubuque, Russ took advanced training in Chicago, New York City, Toronto Canada and Cincinnati. His first job was at ML Parker's Department Store in Davenport Iowa, he worked there 12 years. After that he went across the street to Abrahams. Russ was the manager for 7 years.

In 1983 Russ suffered a traumatic brain injury when he was ejected from his vehicle during an accident. With the help of several therapy professionals, he is able to function however it forced him into early retirement.

After living the bachelor life in Davenport then Arizona, his family encouraged him (they wanted him closer), to come to Windsor Manor. We are very glad to have you here with us.

Glenna McNeal

Glenna was born in Williamsburg IA.. Glenna moved to Vinton when she was a Junior and graduated from Washington High School. She has 5 children that have blessed her with 10 grandchildren. Glenna is an excellent baker, especially famous for her meringue pies. She loves seniors and her job here at Windsor. This is her second employment with us and we are pleased to have her with us. Notes
From
Lisa...

August has arrived. School begins August 23rd. Windsor Manor is kicking off Back to School with our 2nd Annual Fundraiser. We will once again be hosting a "garage" sale to raise money for Vinton-Shellsburg Schools. All items may be purchased on a donation basis. We will then take all donated money to buy school supplies for elementary through high school students. Last year we raised \$500.

On a personal note my daughter Brooklyn will be starting as a freshman at the University of Iowa this month. My son Jace will be a junior in high school, my daughter Brynn will be in 8th grade, and my youngest Violet will be starting 4th grade. Wishing all our young ones a wonderful school year!
