Welcoming Margaret Hoffman

Margaret was born on the Harper farm on the corner of the Brandon blacktop and Highway 150. She feels like she was born at Prairie Creek Christian Church as she currently attends there regularly. Margaret is the 3rd youngest of 4 children, she attended and graduated school from Lincoln High School. She taught 4th and 5th grades in Urbana for 2 years. After teaching, she helped James on the farm and raised their children. They farmed all their lives in Benton and Buchanan County.

Margaret's mother-in-law to be was the one who instigated their relationship, they were married approx. 6 weeks later. To this union, they were blessed with 6 children, Jean, Margaret (Peg), Elizabeth (Liz), Charlie, James Jr. (Chip), and Mary. They have 13 grand and 13 great-grandchildren.

Her hobbies include quilting, gardening and china painting.

It is a pleasure to welcome you to Windsor Manor.

Notes from Lisa...

Happy July! Summer is in full swing at Windsor Manor. In June we celebrated our Resident Assistants during nursing assistants week. We are so appreciative and grateful for the love and care they give to each and every one of our residents.

You may see a new face when visiting Windsor Manor. We are excited to have an intern, Sadie Mauer, with us this summer. Sadie is going to be a senior at Vinton-Shellsburg High School this fall. Sadie has her CNA certification and works at LaGrange Pharmacy. Her duties at the pharmacy include delivering medications and working the front register. Sadie was accepted into the Kirkwood Workplace Learning Connection internship. Sadie hopes to attend the University of Northern Iowa and pursue a degree in Long Term Care Administration.

Have a safe and Happy 4th of July!
