AUGUST RESIDENT SPOTLIGHT

JoAnn Wilkinson

This month's spotlight is JoAnn Wilkinson. JoAnn was born to Ruth and Alvin Nelson in 1933. She grew up with one brother on a farm in Fernald and remembers doing house chores and spending Sundays with family. Her mother was an

excellent cook, and her chocolate cake was her favorite! JoAnn graduated from Fernald and enjoyed her time in school. She was a forward on the basketball team and almost made it to state her Junior year (Slater won by 2 points 😊). JoAnn and her class mates were very close, and she still sees some of them from time-to-time. It was in high school that JoAnn met Roland "Max" Wilkinson, a boy from Nevada. Max and JoAnn Married in 1952 and JoAnn followed as Max was drafted and stationed in Louisiana and then Kansas. They eventually settled in Nevada where they raised their 3 boys. JoAnn worked for the animal disease lab for 28 years and did lots of volunteer work around her community and in her church.

JoAnn became part of the Windsor Manor family in January 2017 and enjoys being social with activities and clubs. When asked what she likes about living at Windsor, JoAnn replied, "all the people!"

August Staff Spotlight:
Shaleah Overman

Shaleah Overman is our Staff Spotlight for August. Shaleah was born in Clarion and grew up in Hampton, Rhodes, then West Marshall where she graduated from in 2013. She currently lives in Melbourne, Iowa with her 3-year-old son Dyson. Shaleah enjoys spending time with her son when she isn't working. They love being outdoors and going to Big Creek State Park. Shaleah hopes to start college in the Fall to become a paralegal. Shaleah became a part of the Windsor family in 2017 and enjoys her job. "I love my residents, I love being a part of something bigger and knowing I am helping!"

August is here, and school will be starting up soon! I can remember being younger and anxiously awaiting school to begin. Getting school supplies, maybe a new outfit (I wore a uniform until high school, so this part wasn't as fun as it could be) was always an exciting time for me and my siblings! Fast-forward a few years (yes just a few) and I am now on the "mother" side of the school preparations. Now I know why own mother said "no" to those pricey Trapper Keepers and Doc Martens. It doesn't take long for things to add up and the budget to get stretched. To help teachers, and other parents with the cost of supplies, we have decided to adopt a class room here in Nevada. Please check out our Facebook page for updates and ways you can donate. I hope you all have a wonderful last few weeks of Summer!
