Lyle was born May 9<sup>th</sup>, 1934 in Ringsted Iowa. He was the youngest of three. He had two sisters Leona Sabin and Leila Pertl. He was involved with 4H as a kid and helped a lot with chores on the farm.

During school his favorite subject was math. Lyle served in the Army for two years, so he wasn't much on traveling after that. Lyle married Diane Fisher on August 12<sup>th</sup>, 1960, she was a teacher at the school in Ringsted. Lyle was an auctioneer for 55 years and retired in December 2010.

His favorite baseball team are the Twins, his favorite football team are the New England Patriots and his favorite college basketball team is Iowa State. Lyle loves to get in his car and go for drives, socialize with everyone and tell a good joke every now and then. He belongs to the First Lutheran Church in Algona.

# Employee Spotlight Jill Buscherfeld

Jill was born January 6<sup>th</sup>, 1975 in Forest City Iowa. She is the oldest in her family. She has a sister is named Dawn. Jill grew up in Algona.

Jill married Dan Buscherfeld on July 27<sup>th</sup>, 1996, from that union they have three boys. Their names are Grant, Drake and Mitch. Jill and her family enjoy doing a lot of activities as a family. Especially watching the boys in all of the sports they are involved in.

Jill's favorite color is yellow and loves watching movies. When Jill isn't working at Windsor Manor or doing something with her family she also works at Bishop Garrigan schools as an Aide. The reason Jill chose to work at Windsor Manor was because we were flexible with the hours she could work while maintaining her other job. As well as working around her family schedule.

She also says it's because she enjoys the residents she cares for here. We are so happy to have Jill as part of our team.

A Note from Terri Tweedy  
Executive Director

**National Assisted Living Week**  
**Sept. 9<sup>th</sup>-15<sup>th</sup> 2018**

"**Capture the Moment**" is this year's theme for National Assisted Living Week, which hopes to inspire residents to realize their dreams and seize the day. Simultaneously, the theme also supports reflection, as residents may look back on the pivotal moment in their lives. With the themes word play referencing photography, residents may refer to pictures or videos from their past. Join us for this week of Celebration and fun events as we recognize the employees that make a difference in the lives of many people.

Eddie showing us his amazing feather work!

Lynzie Nilles RN-BSN*

### Parkinson's Disease

Is a progressive, degenerative disease of the central nervous system that affects your motor system.

It affects about 6.2 million people a year. It occurs mainly in people over 60 years of age. Men are usually more likely affected than Females.

The cause of this disease is still unknown.

The 4 motor symptoms in this disease are tremors, slower movements, rigidity/stiffness, postural instability/frequent falls.

There is currently no cure for this disease so keep your mind and body active.
