We would like to take a moment and give a warm welcome to Ken Peterson. Ken joined our Windsor Manor Family at the beginning of May. One thing Ken loves to do is read, and the great thing about that is we have a library with many different books that he can check out. Ken always has a smile on his face, and compliments to share with everyone. He recently shared with his family how good the food is here.

As we continue to plan outings with the warmer weather, we are excited to get Ken involved in the Men's Outing and some trips to the library.

Thank you, Ken and Family, for choosing Windsor Manor!

Congratulations Makayla for being our Windsor Manor Warrior for the Month of June! Residents/Families/Fellow Staff/Management have praised your continued growth in your Resident Aide Position. Since July 20th, 2020 you have grown so much from not knowing anything from an assisted living format to going on and completing your certified nursing assistant certification. Such a HUGE accomplishment and such a short period of time! Keep up the amazing work!!

Kind words shared of Makayla were: "Always going the extra mile to help out when needed. Always has a smile on her face and a joy to residents. We appreciate you." "Makayla switched to third shift when we needed help and always helps out when asked. Great Team Player." "Such a Team player and went above and beyond to change her schedule to meet resident's needs!" These were just a few recommendations of why Makayla deserves this recognition.

Makayla's future goals are to continue going to college and complete all prerequisites to apply for nursing school. We all know that nurses are hard to come by and we would love to add another nurse to our crew. Cannot wait to watch you grow even further and know your Windsor Manor Team is behind you 100% rooting for you and your future goals!!

Note from Nicole

Spring/Summer are my favorite time of year because we can get outside and enjoy the weather. Residents and Staff have been getting outside more and loving every bit of it. It's great to see so many smiles!! Residents have been hard at work planting flowers in our courtyard along with catering to their garden. You can check out our daily activities on our social media platform on Facebook. We provide daily updates along with photos of our events. Keep checking back for updates.
