Our Windsor Manor Warrior for September goes to Raelynn Cowan. Raelynn is pictured with her daughter, Alexis. Raelynn started as a Dietary aide in the kitchen back in 2016. She then moved to Arkansas and realized she missed her hometown area where she is familiar and to be closer to family. Loving Windsor Manor the 1st time she decided to come back as a Resident Assistant as she was a C.N.A. years prior. Raelynn is great team player and will always help wherever is needed. If she is asked to stay over or come in earlier, she is always flexible. Raelynn is very dedicated to her job and most of all the residents. Raelynn we are so lucky to have you here as a part of the Windsor Manor Team. Thank you for all your hard work and most of all the Love you show the residents.

If you haven’t already, please follow us on Instagram!

Note From Nicole

Windsor Manor has partnered with our local Odell Public Library to provide audio books and magazines for our residents. This program also offers assistive devices such as headphones, recorders, and pillow speakers to meet each resident’s needs. Our activity director has taken the lead to ensure we keep our material interchanging every 6 weeks and if anyone requires the material any longer there is no charge. The items will be located in the library and may be checked out at any time. We are very excited to continue this partnership with Odell Public Library as the residents are anxiously awaiting the arrival of our products!!
