Hello, I hope this newsletter finds readers doing well. We are preparing for a busy March at Windsor Manor. It's one of those years that Easter is coming early! We truly enjoy celebrating special events/holidays at Windsor. Party preparations are in place for St. Patrick's Day and soon we will be planning our Easter Dinner. Residents are involved in choosing the menus for holiday meals and we appreciate their input allowing us to provide a meal we know they will enjoy.

I want to take this moment to share that Windsor Manor DOES have apartments available and ready to rent in our assisted living. We have 1-bedroom and 2-bedroom apartments available. Living in Windsor means you no longer have to worry about housekeeping, laundry, or meal prep, we do it all for you. Staff are available 24 hours a day to ensure the safety and well-being of all who live here. You can stop at any time to look around or call 319-472-2060 to schedule a tour.

If you have any questions about life in assisted living, we are here to help. Feel free to call at any time. In the meantime, enjoy the warmer days, the sun shining, and the return of chirping birds!
